Carolyn,

I will not be able to attend the East Plant tour on Wednesday, but Pete Swanson from CRA is available to show you the site. Pete has been working on the East Plant project for many years and is the primary author of both the RFI and the CMS. Last we spoke you expected to be at the East Plant around 10:00 on the 22<sup>nd</sup>. Is this still the plan? I have copied Pete on this email. His contact information is below.
